

Biosystems MultiPro™ IQ Express Docking Station

**ASSURE SAFETY
AND COMPLIANCE
IN SECONDS**

MultiPro IQ Express is the perfect complement to Biosystem's new confined space multi-gas detector the MultiPro.

This fully automated bump test and calibration station performs up to eight critical tests, including gas sensor identification, instrument performance, and record-keeping procedures in seconds.

The MultiPro IQ Express dramatically improves compliance record-keeping efficiency and accuracy. You just put the gas detector in the dock and the MultiPro IQ Express Station does the rest. Extremely cost-effective, MultiPro IQ Express requires no testing or clerical skills and minimal effort by users. Workers can check their instruments and get to their jobs with minimal interruptions. The MultiPro IQ

**A Fully Automated
Bump Test and
Calibration Station
for the MultiPro™
Confined Space
Gas Detector.**

Express Station automatically performs eight procedures, including: instrument identification, battery test, audible alarm test, visual alarm test, vibrating alarm test (if applicable), fresh air calibration, bump test, and record-keeping. If the bump test fails, IQ Express will automatically perform a full calibration without intervention from the user. Total processing time, including testing and calibration just takes a little over a minute.

Connect MultiPro IQ Express to your PC via USB or Ethernet* to download data directly to a PC. MultiPro IQ Express. The intelligent, affordable way to assure safety and compliance. From Biosystems. No one makes it easier.

*Ethernet connectivity available Summer 2005.

Biosystems MultiPro™ IQ Express Docking Station

KEY FEATURES

AUTOMATED TESTS

- Automatic instrument identification
- Automatic battery test
- Automatic alarm tests (audible, visible, vibrating)
- Automatic bump test
- Automatic calibration (if necessary)
- Automatic record keeping
- Automatic ready/fault indication

CONFIGURATION OPTIONS

- Standalone calibration station
- For advanced features connection to PC via USB or Ethernet*
- Network compatible

IQ Controller & Dock Pricing

PART NUMBER	DESCRIPTION	PRICE
54-49-9000	MultiPro IQ Express Docking Station with Software, Installation Disks and Manual	\$795.00

*Ethernet connectivity available Summer 2005.
